

## **PIDILITE INDUSTRIES LIMITED**

### **QUALITY POLICY**

It is our policy to develop, produce and supply products which meet the changing needs and expectations of our esteemed customers.

For this purpose, we shall regularly audit, update and upgrade our quality management system.

We shall provide assistance to our customers, wherever required, to enable them to derive expected benefits from the use of our products.

We are committed to ensure safety of all our operations and to the preservation of the environment in which we operate.

Managing Director
